CORPORATE SERVICES

- PRIVATE EQUITY
- VENTURE CAPITAL
- MERGERS & ACQUISITIONS
- POST MERGER INTEGRATION
- FIDUCIARY SERVICES
- TAX PLANNING
- FUNDS & TRUST FORMATION
- WEALTH MANAGEMENT & MULTI FAMILY OFFICE SERVICES

PRIVATE EQUITY

Represent clients investing in buy-out projects mainly in the Real Estate & Hospitality, Healthcare, Banking, Shipping and Energy sectors. In depth understanding of financial investors' business models. Advise on the acquisition of portfolios for secondary funds and represent management teams. Our involvement is extended on post transaction and management support. Main geographical coverage include the SE Europe, MENA, Russia and CIS countries.

VENTURE CAPITAL

Provide seed capital funding to start ups primarily in the areas of Technology and Innovation with emphasis in the industries of our interest. We work with both primary and secondary venture capital funds. Currently we represent a selective portfolio of start-ups.

MERGERS AND ACQUISITIONS

Corporate acquisitions, disposals, mergers and reorganizations. Our team carries a long experience in share and asset transactions in both the public and private sectors, thus meeting the needs of clients ranging from multinationals to medium-sized companies, banks, funds, and private investors in general. Represent key clients in Banking, Energy, Real Estate, Hospitality, Healthcare and Academia.

FIDUCIARY SERVICES

Through our strong network of associates, we offer complete services to our clients which makes HOI a one stop and shop firm. Our entire philosophy is based on ensuring the best service delivery to our clients. We are committed to offering high level Strategy and Finance Services to our clients with all supporting services handled by our network of expert administrators and tax consultants.

TAX PLANNING

HOI offers through its partner network expert tax advice on setting up efficient corporate tax structures ensuring in each case that we meet the needs and particularities of each client on both a corporate, personal and/or family level.

FUNDS & TRUST FORMATION

HOI offers through its partner network the set-up, administration, depository and management of special purpose fund structures (Alternative Investment Funds, Cyprus International Trusts, other) that allow for prudent investment strategies and asset protection.

A young girl with curly hair is blowing bubbles in a park. She is holding a blue bubble wand and a blue cup. The background is a lush green park with trees and sunlight filtering through the leaves.

WEALTH MANAGEMENT FAMILY OFFICE SERVICES

Through our exclusive partner network, we provide tailor-made investment strategies for high net worth individuals and family offices wishing to use Cyprus as a financial hub. We offer our clients a selection of investment vehicles and tax efficient structures that allow them to invest in a wide range of asset classes with the utmost confidentiality and security aiming for attractive returns through a balanced investment portfolio. Approved partner of Bank of Cyprus, Private Banking Practice.

Portfolio Strategies include:

- Retirement Investments with guaranteed Principal
- Equity Strategies
- Selective Real Estate Development Investments
- Discretionary Managed Accounts – Structured Products
- High Yield Bonds
- Stable Yield Commercial Assets
- Closed end property funds
- Hedge Fund Investment Strategies
- Private Equity / Start-ups / Mezzanine Financing
- Citizenship by Investment
- NPL Portfolio Strategies

“House of Investment – Your Expert Partner in Cross Border Investment Management - HOI's success lies in the firm's ability to establish close client relationships working seamlessly along clients - this goes hand in hand with the company's established culture and ethos, which places focus on integrity alongside exceptional service and a high quality of financial advice - **Named the Recognized Leaders in Private Equity and Investment Management 2019 - Global Business Excellence Awards**”
Wealth & Finance International – Q4 2019

STRATEGY ADVISORY

STRATEGY DEVELOPMENT IMPLEMENTATION

Our Strategy Development Advisory covers the entire spectrum of the business value chain in our key industries. Specifically, our experienced industry team works closely with the client teams from the initial business assessment stage to the full development of the business strategy and financial plan to the execution of the preferred strategies jointly selected. We pride ourselves on the very issue that we provide hands on advisory with tangible deliverables and take active participation in the implementation stage always acting on the best interest of our clients.

Selected services under the Strategy Advisory Practice include:

- Current Situation Analysis
- Develop detailed Strategic Options
- Envision the Future
- Develop Roadmap and Financial Plan
- Define Ambitions
- Engage actively in Implementation
- Evaluate and select Preferred Strategies
- Secure Funding

BRAND STRATEGY

We at HOI believe that brand strategy goes beyond convincing customers to choose one brand over another, but to ensure that customers see the brand as the main alternative that addresses their needs and delivers on their expectations. With this in mind and through HOI's advisory strategy portfolio we consult clients both at corporate and at project/brand levels. Our offering includes Concept & Product development, Product/Brand Strategy (marketing, communication, pricing, launch etc.), Corporate Identity & Strategy Formulation.

CORPORATE GOVERNANCE ORGANIZATION DESIGN

We assist various organizations in

- Setting corporate governance guidelines
- Organization design/restructuring/alignment
- Board Level Services
- Performance Management Systems Implementation
- Executive Committees Structure & Operating Guidelines

REAL ESTATE

- DEVELOPMENT MANAGEMENT SERVICES (DMS)
- REAL ESTATE STUDIES
- FUND FORMATION & MANAGEMENT
- HOSPITALITY SERVICES
- DEBT AND EQUITY SOURCING
- REAL ESTATE TRANSACTION SERVICES

DEVELOPMENT MANAGEMENT SERVICES (DMS)

HOI provides a comprehensive service portfolio in Property Development from the initial concept formulation phase to the detailed masterplan delivery, the branding strategy, the formulation of the business plan and the sourcing of debt and equity pending on the individualities of each project. We work side-by-side with the client's teams and in many cases we play an instrumental role in setting up and training the project teams to prepare them for implementing large mixed-use schemes.

Further, HOI through its tested partnerships with leaders in their fields is in the unique position to offer under one roof the entire portfolio of industry expertise and services required for large complicated lifestyle schemes that include healthcare, education, edutainment, adventure, cultural & leisure themes, waterfront lifestyle solutions (marinas, promenades, etc.) advance retail and sports schemes, golf design, other.

Our DMS portfolio for large mixed-use lifestyle schemes entails:

- Macroeconomic Studies
- Market Analysis
- Concept Formulation
- Masterplan Formulation & Testing
- Branding Strategy
- Business & Financial Plan
- Project Management
- Sales & Marketing Strategy
- Preparation of Investor Memorandum
- Investor Roadshows
- Project Funding

"Benoy is working with HOI on projects in Europe, MENA and the Russian Federation. Benoy's global approach to design and local understanding of markets complement HOI's deep commercial and business knowledge resulting in high value creation for the client while raising the aesthetic standards to a whole new level.

Working alongside some of Benoy's most talented designers, HOI has not just allowed but positively encouraged creativity. The mutual trust and genuine respect between architect and client has resulted in some incredibly forward-thinking designs."

John Dawes, Director, Benoy UK

REAL ESTATE STUDIES

The firm offers various Real Estate studies to our clients that cover the entire spectrum of the sector (commercial, waterfront, resi, office, mixed-use, retail/shopping malls, elder and assisted living, wellness, marinas, golfs) and can be delivered independently. These include:

- Valuations
- Feasibility Studies / Financial Plans
- Market Strategy Studies
- Brand Formulation Studies
- Concept Development
- Green Strategy Formulation
- Retail / Commercial Studies
- Masterplan Assessment / Testing Studies

"HOI's expertise and depth of knowledge, understanding of local market realities and dynamics, ability to think outside the box and willingness to engage our people in their thinking process, sets them apart from other consulting houses. HOI team has been instrumental in the conception, viability assessment and design of Tver Marina which represents one of the most exciting lifestyle mixed-use schemes in Russia".

Vadim Mokhov, Executive Chairman, Status Group, Moscow

FUND FORMATION MANAGEMENT

Custom Fund structures for Commercial, Mixed Use and Offices as well as prime land bank. Setting up, administration and management of Alternative Investment Funds (AIFs) with focus on alternative investments (distressed assets, development opportunities, balanced assets etc.) while capitalizing on significant tax benefits, flexibility and investor protection offered under Cyprus AIF structures.

HOSPITALITY SERVICES

HOI has extensive experience in the Hospitality industry and its service portfolio extends in the areas of Hotel Acquisitions & Divestitures and Hospitality Strategy & Management.

Main services include:

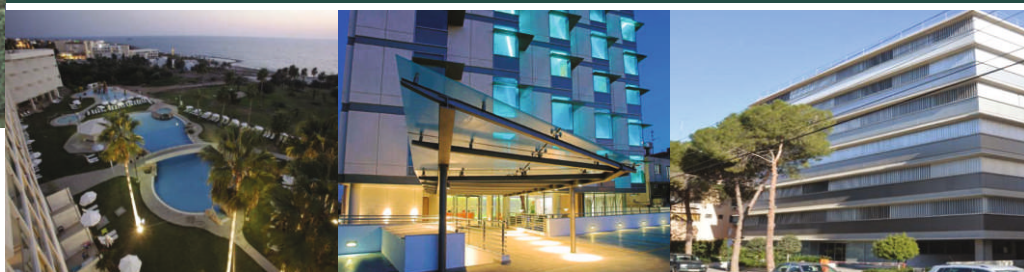

- Market Strategy Studies
- Financial Valuations / Feasibility Studies
- Concept Development
- Hotel Development
- Hotel Operations & Management
- Hotel Financing & Financial Management
- Extensive Hospitality Portfolio
- Full Acquisition and Divestiture Transaction Support
- Post Acquisition and Management Support

DEBT & EQUITY SOURCING

Following the project implementation phase, HOI undertakes the overall process of debt and equity sourcing. During this phase we work closely with the client in preparing the documentation for corporate lending departments of banks and we participate and support the client throughout the negotiation phase.

Further, we assist the client in preparing professional investor materials for the project in order to engage in discussions with strategic and institutional investors for equity participation.

- Investor memorandum preparation
- Access to private equity funds
- Access to high net worth individuals and family offices
- Support in negotiating/closing contract terms
- Strong relations with major banking institutions

REAL ESTATE TRANSACTION SERVICES

HOI Real Estate Transaction division deals with selective high-end asset properties, NPL assets as well as larger corporate transactions. We maintain a large in-house real estate project portfolio which comprises of large mixed-use projects, Hotels & Resorts, high quality commercial assets centrally located and commercial plots ready for development. Our portfolio also includes Solar PV Parks and other alternative energy related assets.

HEALTHCARE & ACADEMIA

HEALTHCARE SERVICES

HOI Healthcare Advisory division deals with the planning, development and financing of unique and innovative healthcare projects worldwide. HOI Services include the detailed market analysis, the concept formulation and program development, the operational and IT strategies, the financial planning as well as the affiliation and operator agreements with leading healthcare providers worldwide. The HOI Healthcare team is involved throughout the development process hand in hand with the client teams until the project opening.

HOI undertakes the furnishing of debt and equity in the projects involved ensuring bankable healthcare projects well positioned to succeed.

Post - opening, key HOI team members will assume board positions in order to ensure continuity and long term business sustainability & success of the new projects.

ACADEMIA INVESTMENT SERVICES

HOI undertakes selective investments in Academia including the planning, development and management of integrated student residences and investments in private secondary and higher education institutions.

In addition, we provide strategy advisory, restructuring and financial services to the sector.

ALTERNATIVE ENERGY INVESTMENTS

HOI energy division deals mainly with investments in the energy sector on behalf of key clients. HOI Energy deals further with the sourcing, development and financing of alternative energy parks mainly in the Cyprus and Greek markets; this includes Wind Parks, PV Parks and Hybrid Parks as well as Solar/Thermal Parks. A strategic partnership with Cypenergia, a company dedicated in the design, licensing, installation and operation of Photovoltaic Parks on the island further strengthens HOI's position in the field and maximizes value offered to clients.

“Every project presents a new challenge and we are always excited to work side-by-side with our clients and partners to bring to the market new innovative ideas while creating value.”

Andreas Zachariou, Senior Partner, HOI Team

JEDDAH PARK

JEDDAH - KSA

Jeddah's central thematic lifestyle shopping, business, hospitality, healthcare, cultural and leisure destination, providing a mixture of unparalleled services and attractions in a distinct Park environment. Perhaps the most Innovative Lifestyle Mixed Use City Scheme in KSA that will set standards of excellence in Planned Urban Commercial Developments. Jeddah Park represents the largest mixed-use city scheme in KSA with one of the largest retail and entertainment outlets in the country, high-end hotel towers, conference & incentive facilities, a business tower and a state-of-the-art branded Health and Rehabilitation Center. It boasts a wealth of activities, services and attractions for the city residents, tourists and business travelers around the clock.

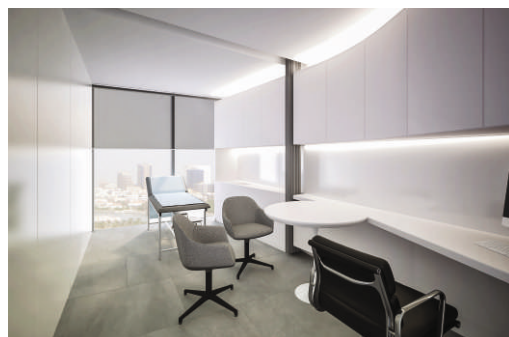

JEDDAH PARK
